

## Product Description:

Aurora IP65 50W Fixed GU10/MR16 Matt White Flush Pressed Steel Downlight

These Flush to the ceiling downlights have many advantages over competitors products. They sit flush and are IP65, the lamp does not sit far away from the glass front like many other IP65 fittings with replaceable lamps. The downlight has a magnetic inner core that snaps back into place after removing to replace or fit lamps.

SKU Code

AU-DLM793MW
