

Product Description: Blade[™] 10.5W 1000mm Undercabinet Light

The slim profile, undercabinet light bar Blade[™] can be adapted to suit the application. With multiple configurations, lengths can be connected using the link leads or the connectors making it ideal for use in kitchens, display cabinets and wardrobes. LED light points are eliminated by the frosted diffuser creating an even light distribution. Easy to install using the plug in power lead and a 12V LED driver.
