Feature & Benefits

- CRI level of Ra 90 delivers high colour rendition to bring out true colour of objects and surroundings
- Ideal for use in decorative residential, commercial and retail applications to enhance colours in fabrics, merchandise, jewellery and art
- Featuring advanced electronics to deliver a high 0.8 power factor
- ThermoTec™ technology utilises a combination of highly efficient LED light source, aluminium heat sinking and thermoplastic material for longer life and consistent performance
- EnFiniti™ edge-to-edge multifaceted polycarbonate lens creates low glare and halogen like appearance
- Wide 60° beam angle delivers increased light distribution
- 1.5kV surge protection

Product Specs:

Input Voltage	220~240V AC	Input Frequency	50/60HZ
Power Factor	0.8	Overall Diameter (mm)	50
Lamp Base	GU10	Length (mm)	57
Overall Height (mm)	57	Lamp Type	PAR16
Weight (Kg)	0.060	Lifetime Hours	25000hrs

Compliance & Approvals:

Warranty:

This product has a warranty period of 3 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
