

Product Description: QuaZarPIR™ 50W Adjustable IP65 Driverless Floodlight

Addition to the QuaZar™ floodlight range is the QuaZarPIR™. Maintaining the popular slim design, the inclusion of a PIR incorporates the function of motion detection, without compromising the product's popular appearance. The PIR has been specially designed to help reduce false triggering; both the position and functions can be fully adjusted to suit any application. Ideal for both domestic and commercial applications, the QuaZarPIR™ is perfect for security lighting as well as helping to reduce energy costs.
