

Product Description: 10W Adjustable Dimmable Fire Rated Downlight

This Dimmable i10 LED Downlight is integrated LED with non replaceable lamps. It will last many, many years due to the electronics and driver being separated from the Light Source which is the normal source of failure for an LED bulb. Before being replaced last year with a newer version it was our biggest seller and remains an utterly amazing light fitting!

## Feature & Benefits

- International Design Registration No. DM/080 178
- UK Patent Application - 1212923.5
- Adjustable to 20 degrees
- Integrated LED driver connected to Loop-in / Loop-out FASTFIX connector (included)
- Tested in 30, 60 & 90 minute fire rated ceilings
- Tested to BS EN 1365-2:2000
- Tested to BS EN ISO 140-3:1995 & BS EN ISO 140-6:1998 (Acoustics) confirming that they maintain the ability for an internal or separating floor to provide sound insulation
- Dimmable with most leading / trailing edge dimmers
- Life to 70% lumen maintenance (L70) - 40,000 hours
- 5 Year Warranty - see [www.auroralighting.com](http://www.auroralighting.com) for details

## Product Specs:

Input Voltage	220~240V	Lifetime L70 (hrs)	75000hrs
Overall Diameter (mm)	98	Weight (Kg)	0.509
Height (mm)	110	Cutout Diameter (mm)	80-

## Compliance & Approvals:

## Warranty:

This product has a warranty period of 1 Year. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
