Product Description: IP65 Adjustable Spotlight (Blue & Green)

Wonderful Aluminium Commercial Quality Directional LED Spotlights. These produce a focused colour hue to any area and achieve a great effect. They are suitable for indoor or outdoor use, most notably used to light trees, bushes and patio areas. The fittings contain an integral LED Driver so you just need to wire the enclosed terminal block into the mains supply. These cannot sit in an area that will become flooded but can be wall or floor mounted happily using provided fixings.
