

**Product Description:** Isored Adjustable 5W GU10 Non Dimmable Recessed Downlight Pack

Ideal for new or renovation projects, the Isored range is designed to guarantee perfect air tightness of ceilings. The unique shape of the can and flexible connection tab ensure easy installation in standard cut-outs even under all types of insulation and without deterioration. Equipped with a quick-release connector that can be used without tools, it is available with a 5W ICE™ LED lamp for maximum energy savings.
