Feature & Benefits

- LED Rigid Bar Signage modules to replace fluorescent tubes in box signs, advertisement boards, light boxes, etc and to backlight.
- Improved uniformity, reduced energy and maintenance costs over fluorescent tubes
- 24V DC low voltage input
- 5 / 6 LED chips per module
- 10 x 50° Beam angle
- Industrial grade adhesive backing
- Maximum number of modules per circuit is 20 pcs
- For runs over 20 modules, circuits should be connected in parallel
- Supplied in packs of 10 modules

Product Specs:

Input Voltage	24~24V DC	Lifetime L70 (hrs)	25000hrs
Width (mm)	28	Length (mm)	360
Height (mm)	16		

Compliance & Approvals:

Warranty:

This product has a warranty period of 1 Year. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
