

Product Description: Versitile™ 45W 1200 x 300mm Suspended Semi-Transparant Dimmable Panel

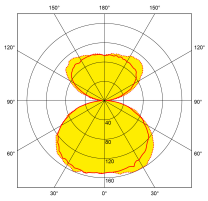

Range of suspended edge-lit LED light panels with 60% down and 40% upward light distribution. Lightweight slim aluminium frame in RAL9016 White finish and transparent when switched off, allowing for natural light to pass through without creating shadows great for daylight harvesting. Ideal for office and other commercial applications. Driver mounting box with driver included. Available with alternative suspension methods and in Dali.
