SKU Code

AU-TLS100

Line Drawing

Polar Curve

Colour

Feature & Benefits

- For simple control of lighting in corridors, entrance halls, washrooms, etc.
- Neon illuminated button to locate in darkness
- Pressing the button switches the lights on. The lights switch off after the adjustable time lag has elapsed, thus saving energy
- Adjustable time lag 1-10 minutes
- Maximum load 6-Amps (1500VA) of any type of load, including inductive loads
- Suitable for replacement of standard switches in the home or office. Neutral wire not required
- This is a MASTER unit ONLY. To switch from several different locations requires SLAVE momentary switches (not supplied)
- May be controlled from several locations by connecting normally open slave switches in parallel
- 1 Year guarantee
- This product available in white finish only
