Feature & Benefits

- Dimmable integrated downlight for use in almost any ceiling
- Edge to edge multifaceted polycarbonate lens for low glare and halogen like appearance
- High performance up to 100lm/W
- Airtight for reduced energy loss
 Wide 60° beam angle delivers increased light distribution
- Can be covered by any type of ceiling insulation material
- Slim recess depth of 31mm for use in shallow ceiling voids (60mm space required with driver)
- IP65 & Class 2 rated for wet environments (zone 2)
- Aluminium high end sleek finish
- Supplied with remote led driver with loop-in loop-out fast terminals for ease of installation
- 5 Year Warranty

Product Specs:

Input Voltage	220~240V AC
Power Factor	0.85
Lifetime L70 (hrs)	50000hrs
Weight (Kg)	0.254
Product Type	Downlights
Operating Temp. (Min) °C	-20°C

Input Frequency	50/60HZ
IP Rating	IP65
Overall Diameter (mm)	82
Height (mm)	31
Cutout Diameter (mm)	68-70
Operating Temp. (Max) °C	45°C

Compliance & Approvals:

Warranty:

This product has a warranty period of 5 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
