Product Description:

Spryte™ LED downlight range is the ideal energy efficient non-fire rated solution for new build or retrofit halogen, R63 and R80 reflector lamp installations. Fitted with the edge-to-edge, multifaceted 60° wide beam EnFiniti™ lens, these downlights allow for high light output and low glare while still providing a sparkling halogen like optical appearance in a compact sized fitting. Now also available in 8W ball-joint adjustable version alongside the fixed for maximum application flexibility.

Product Image:

Product Features:

- Energy efficient LED Downlight for halogen retrofit applications
- ThermoTec™ technology utilises a combination of highly efficient LED light source, aluminium heat sinking and thermoplastic material for longer life and consistent performance
- EnFiniti™ edge-to-edge multifaceted polycarbonate lens creates low glare and halogen like appearance
- 8W supplied with fixed white bezel. 10W supplied with interchangeable round & square white bezels
