

Product Description: E8™ Colour Switchable Fixed 8W Dimmable Fire Rated LED Downlight

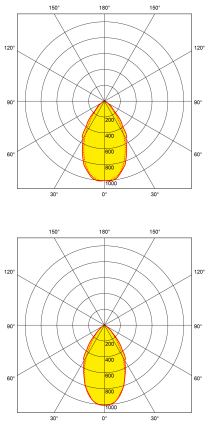

The E8™ colour switchable downlight is an addition to our well established E8™ range. Featuring the sparkling low glare multifaceted EnFiniti™ lens and delivering up to 620lm. Not sure what colour temperature you want at time of purchase? No problem! The E8™ colour switchable is one light offering 3 whites at the flick of a switch located on the back of the fitting. Simply switch from warm white, cool white & daylight before installation.

Feature & Benefits

- The colour switchable E8™ means you only need to specify or stock one fitting rather than three. Can be switched from 3000K, 4000K and 6500K (prior to installation)
- Allows you to change the colour of your lighting at a later date to suit the interior design
- EnFiniti™ edge-to-edge multifaceted polycarbonate lens for low glare and halogen like appearance
- Fibre based insulation coverable - up to 300mm
- Super slim interchangeable IP65 bezels provide a high end sleek finish (Bezel sold separately)
- Tested in 30, 60 and 90-minute fire rated ceilings
- 3 year warranty
