

Product Description: Helius+™ 200W Adjustable IP65 LED Floodlight

Same design but improved efficacy, the Helius+™ floodlights have been upgraded to 100lm/W. Featuring SMD LED chips these floodlights are perfect for both residential and commercial IP65 applications. Their slim profile and clean black finish make them as unobtrusive as possible. Available in 10W, 30W, 50W, 100W, 200W and 300W versions with black housing with the options to wall mount them with the stem accessory or put them in the ground with the spike accessory sold separately.
