

Product Description: ET6060™ 600x600mm LED Louvred Troffer

The ET6060™ and ET1230™ has a classic louvre design with energy saving LED technology inside. This back-lit louvred troffer has a deep curve aluminium mirror reflector and prismatic diffuser keeping the UGR below 19, ideal for office or education applications with efficacy up to 100lm/W for great energy savings. This luminaire is designed to last with its phosphate treated surfaces, making it more resistant to corrosion and wear.
