

## Product Description: LinkE™ 4W Undercabinet Striplight

LinkE™ undercabinet LED striplights are a great solution for new or T4 and T5 retrofit installation. With their simple plug and play linking feature, different lengths can be created to suit depending on kitchen cabinet or wardrobe lengths. Available in both 3000K and 4000K with separate interconnection leads to allow for connections between partitions, they provide a simple solution to suit lighting requirements.
