## Feature & Benefits

- Multi-function Grow light suitable for a wide range of horticulture lighting applications
- Fully controllable light spectra allow use for propagation, vegetative growth and flowering of plants
- 42" modular design light bar can be assembled into 1/3/6 light bar fixtures
- Mounting accessories for surface and suspended mounting are included
- Aluminum extrusion body provides thermal management and housing for drivers and wiring
- Each lightbar incorporates 4-color LEDs: Red, Far Red, Blue, Cool White 6500K
- Input: 100-277V ac 50/60Hz Built in driver and controller in each 108pcs LED in each lightbar light bar. Connected to Aurora control panel for spectrum selection
- Input: 100-277V ac 50/60Hz Built in driver and controller in each light bar. Connected to Aurora control panel for spectrum selection
- Built in ventilation plug to allow pressure equalisation within the enclosure and prevent condensation
- Power: 90W max (4 circuits, full brightness LEDs)
- Beam Angle: 50°
- IP65 ingress protection rating
- 5 Year Warranty, 50,000 hour life

## Product Specs:

Input Voltage	100~277V AC	Input Frequency	50/60HZ
Power Factor	0.9	IP Rating	IP65
Lifetime L70 (hrs)	50000hrs	Width (mm)	363
Length (mm)	1176	Height (mm)	70

## Compliance & Approvals:

## Warranty:

This product has a warranty period of 5 Years. Warranties may be available on certain products as indicated in the product description. Warranties are valid from the date of purchase. The warranty is invalid in the case of improper use, installation, tampering, removal of the Q.C. date label or installation in an improper working environment or installation. Should this product fail during the warranty period it will be replaced free of charge, subject to the correct installation of the original product and subsequent return of the faulty unit. Aurora does not accept responsibility for any installation costs associated with the replacement of this product and Aurora reserves the right to alter specifications without prior notice.
